PRESIDENT'S MESSAGE

Dear Woman's Club Members,

Unbelievably, we are already a third of the way into this year! We can now celebrate the easing of Covid restrictions, and have had the chance to enjoy each other's company while getting to see everyone's smiles that have been hiding behind masks for the last two years. Last month, we enjoyed a night of "Show and Tell" and a wonderful St. Patrick's Day dinner. I truly appreciate the work of our food committee who created a lovely event for our members. Thank you to everyone who shared their treasures with us. It was such a fun evening!

PRESIDENT'S MESSAGE (CONTINUED)

At our second meeting, our guest speaker, Adam Matsumoto, Director of Temple City Parks and Recreation, shared an update on Temple City's newest park, "Primrose Park", which will be opening very soon. Even though the park is still under construction, the giant flower sunshades are giving our community a "sneak peek" of the first new park we've seen in 60 years.

Our March 24 meeting also marked our annual elections. I am very humbled to be elected to serve as your president for a second year. It has been an honor to be the president of our Woman's Club. I want to thank Louise Huff who also offered to serve our members. We all appreciate the work you do for all of us. I look forward to continuing to celebrate the diversity of our members. I have enjoyed learning more about the many cultures our members represent, and I look forward exploring even more cultures in the future. We still need two officers and a few chairmen. Please contact me if are interested in serving our members a part of our board.

April will bring us a "Spring Celebration Western Style" and a talk by our own Dr. Suman Srinath. On April 28, we'll recognize "Denim Day" and we'll welcome State Senator Susan Rubio and her District Representative Susan Armenta Lopez. So, break out your denim for April!!

Finally, thank you to Dawn Tarin for once again chairing our Spring Flower Fundraiser. This was once again a huge success!

During this blessed time of the year, I continue to feel so blessed to have you in my life.

Much love,
Mary Sneed

WHY WE WEAR DENIM ON APRIL 28

In 1999, the Italian Supreme Court overturned a rape conviction in which an 18-year-old student in Italy was raped by her 45-year-old driving instructor during a driving lesson in 1992. They ruled that because she was wearing tight jeans, there must have been consent. In an act of solidarity, women lawmakers wore jeans to work and protested on the steps of the Italian Supreme Court. Solidarity actions soon spread around the world, starting in Los Angeles in April 1999. We wear denim every April to support survivors and to spread awareness and education around sexual violence.
