PRESIDENT'S MESSAGE

Dear Woman's Club Members,

Can you believe, 2022 is already coming to an end? In some ways, this year has flown by, and on other days, the time seems to have slowed to a crawl. Some of our members have seen some exciting times this year. There have been new grandbabies (with more coming!) and new "daughters and sons" in law. We've said a sad goodbye to a former club president and some of our members have faced health issues that unfortunately kept them away from our meetings as they regain their health. I know you join me in sending them our best wishes for a complete recovery.

PRESIDENT'S MESSAGE (CONTINUED)

Christmas has always been my favorite holiday and time of the year. I enjoy decorating our home, in many cases with things we have used since our sons were small, and just enjoying this time to appreciate and give thanks for the blessings in our lives. When I was teaching, I always loved to surprise my students when they walked in to find Mrs. Sneed had decorated for the holidays. I loved it as much as they did. I'm sure each of you has special traditions that bring you joy each year. To all of you, however you celebrate, please know Gene and I send our best wishes for wonderful times.

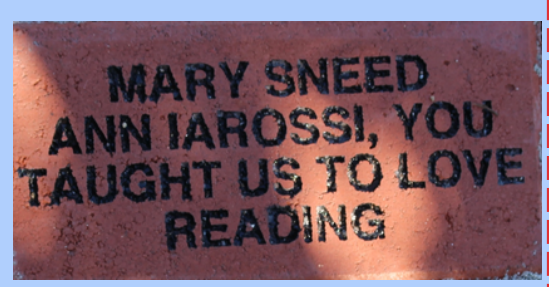

This issue of the Forecaster will probably be published before our Community Christmas Party. I want to thank all our members who have stepped forward to bring the party to reality. Starting with our Party Chairman, Rachel LaSota, who is organizing this event from a distance (she is in the middle of starting a new job and moving closer to her parents) and to her committee, my sincere thanks for all your efforts. Due to Covid restrictions, we have not been able to hold this party for several years. This is historically one of our largest fundraisers. I'm so looking forward to a very fun night. Thank you to all who have been working so hard in so many ways to create such a fun event.

Our Christmas Party is also the time when the Woman's Club honors the recipients of our Humanitarian of the Year Awards. I am truly touched to be honored along with Jerry Jambazian and Larry DiPeppe. I am in very good company. Many, many thanks for this huge honor.

As we look to the new year, my wish for each of you is a time to focus on what brings you happiness, what brings joy to your heart. I am very grateful for the opportunity to serve you as the Woman's Club President. It truly brings me much joy.

Much love,
Mary Sneed
President

Lessons from Geese

(Part 3)

-Author Unknown

-Article Submitted by Pocketsize Youse

Leave no Goose behind, they stand by their flock in good times and bad.

When a goose gets sick or wounded, two other geese drop out of formation and then follow it down to help and protect it. They stay with the goose until it dies or is able to fly again. Then they launch back up with another formation or catch up with their flock.

The Lesson – stand by each other in difficult times. It's easy to always be part of winning teams, but when things get difficult and people are facing challenges, that is when your relevance as a teammate comes to the fore.
