## **PRESIDENT'S MESSAGE**

Dear Woman's Club Members,

Happy New Year! I hope you all had a chance to regroup and relax during the holidays. Some of us had our holiday plans change due to this newest COVID variant as well as many people fighting some good - old-fashioned colds. I hope, if this was the case for you, that the new year brings you better health.

At our December meeting, we were able to discover more about one of our philanthropies, Door of Hope. I am so proud of the generosity shown by our members donating items to fulfill the wish list for this organization. I know our guest speakers were overwhelmed by the

many items donated to help so many families get a new start as they move from homelessness. Thank you to all who donated. I would like to thank Philanthropy Chairmen Denice Wilhelm and Candy McKiernan for arranging our Door of Hope speaker and donations list. We also formally presented our donation to Friends of Foster Children, another of our philanthropies from the grant we received from AT&T at the meeting.

After our guest speaker from Door of Hope, we were treated to a wonderful concert of Holiday tunes sung by Donna and Joe Palmieri. What a treat!! Thank you for a wonderful performance that was enjoyed by all. I would also like to thank Louise Huff, Carole Rodenbucher, Joanne Rosso and all the committee members who helped create such a beautiful afternoon to help us celebrate the holidays and Woman's Clubs' 96th Birthday.

January will bring a chance to make some new resolutions, and I hope after our current rise in Covid cases, and quick return to our "new normal". If you received a "special treasure" for Christmas that you are "willing" to part with, remember we are having a "White Elephant exchange" at our first January meeting on January 13; please wrap your "treasure". We will also enjoy a talk by Club Member Mike Palmieri at that meeting. On January 27th, we continue our celebration of diversity with a Lunar New Year Celebration and our guest speaker for that meeting will be Councilmember William Man.

From my family to yours, we wish you a most blessed new year. May all good things come to you in 2022.

Much love,  
*Mary Sneed*
