President's Message – Nanette Fish

Hello August!

I hope all our members are keeping cool this summer. Because we have some HOT CHICKS in our club. Our taxes are done, State of California paid and our annual audit is complete. Time to enjoy summer.

Potato booth at concerts in the park is doing amazing. Selling out regularly and bring in new members. Thank you Carole, committee and volunteers.

Many thanks to Dawn, Rachel, Carole and the board for all your help with July's first evening general meeting. With almost 40 members in attendance our evening meetings will now give our working members a chance to attend and enjoy the fun. July's meeting brought a huge announcement from Camellia Festival General Chairman Jessica Westgate Goold.

The Camellia Festival organization has selected our woman's club to be the grand marshals of next years 75th annual parade and carnival. We are so happy! In case some members don't know our woman's club founded the parade back in 1944 and we couldn't be more excited to be honored in this way.

So, save the date Saturday February 23, 2019. Camellia Festival Parade 10am. We plan to invite all members to participate in the parade. More details to follow. We have many exciting events this summer. See our calendar below.

Sincerely,
Nanette Fish
President Woman's Club of Temple City
