Homeboy Industry update

Omar and His Family

Omar's story (Homeboy Industries)

Omar's story is a powerful one:

He grew up in the projects. His mother was always working (up to three jobs at a time) to support them, and his father was a "never around" drug addict who died when Omar was 9 years old.

Omar became a gang member at a very young age, which is probably no surprise to anyone.

Acquired lots of gang tattoos – why? For protection

As a teenager Omar's life changed in an instant – he was shot in the head by a rival gang member.

Omar's mom was told he most likely would never walk again and he is lucky to have survived.

Throughout his healing, both physically and mentally, Omar was in and out of Homeboy Industries fighting to change his life. One of Omar's hardest days there was agreeing to allow the ex-gang member who shot him shadow him on one of his Homeboy tours.

Today Omar is 27 years old, he is partially paralyzed on the right side of his body, but can walk. Omar has worked hard to change his life through Homeboy Industries. He has a wife and two young children. His son Omar jr. is 7 years old and his daughter Adrianna is 3 years old.

Pacific Friends School will be enrolling Omar's daughter on a full scholarship totaling more than \$20,000 dollars in tuition.

But alas, we still need funding for little Adrianna's lunches which will total about \$1,200.00 (which is just under cost) over the two years she will be attending Pacific Friends School. Therefore, I am turning to the Women's Club to ask for assistance with the expense of lunches. Please consider little Adrianna Perez a worthy cause for your support.

6/8/2018

UPDATE: the donations have been coming in. So far Women's club members have donated \$570.00 toward Adrianna lunches. We need more to fully fund her lunches. In exchange for your donation you will receive a donation letter from Pacific Friends School, which you can write off on your taxes as we are a 501(c) 3 organization.

Thanks to all of you whom have already graciously donated.

Sincerely,
Kellie McKinley
Director
Pacific Friends School

June Auxiliary Dinner
“An Italian Evening Under the Temple City Sun”

Great food, great entertainment and great people! It was truly an evening to remember. On June 4th members Noel Palmieri and Theresa Tomaro hosted an evening of Italian fun. Members and guests feasted on Alex Di Peppe's lasagna, chicken pasta alfredo and all of Theresa's wonderful homemade desserts. The 50/50 and raffle was held and, of course, Lisa Montesanti's homemade bread was the first to go. Thank you, Lisa, for your wonderful donation!

“Theresa Pizzeria”, accompanied by Larry Di Peppe, entertained the crowd with songs including Dream a Little Dream, Too Late Baby and Landslide. While Theresa Pizzeria took a break, Larry performed This Guy's in Love and Somewhere Over the Rainbow. At some point during the evening the theme from the Godfather could be heard and “The Godmother” appeared and sang Mama, Rags to Riches, Oh Marie and Mambo Italiano. Larry's sister Lora joined him at the mic and sang a few songs to close out the evening.

For those who could not attend, let's just say the night ended with a splash!!
