President's Message – Nanette Fish

Hello to all members of our club.

It is with great pride that I write my first presidents message to this amazing organization.

Many years ago, actually 1999 was the first year I attended a woman's club meeting with my daughter Lainie who was a member of the Camellia Festival Royal Court.

I knew then that I wanted to someday be a member and continue their long tradition of friendship, camaraderie and service to the community.

I have always loved the history of this club and what it stands for and will strive to keep our values a top priority.

My board and I will be exploring new and innovative ways to improve our organization and I invite each and every one of you to join us at our board meetings to help us plan our future.

Some new changes and goals for our upcoming year are as follows:

- Evening general meeting to allow our many working members to attend.
- Additional chairmanships such as corresponding secretary and new member ambassador
- Increased social media presences
- Helping other local service organizations to succeed which in turn helps us succeed.
- Celebrating and recognizing our clubs "Wonder Woman"
- Exciting new auxiliary events

The world has changed in many ways since 1925 and our community has lost many service organizations to those changes. I feel confident our club with its many member resources and longtime member experiences can combine tradition and modernization to make the Woman's Club of Temple City a shining diamond in our community.

Please never hesitate to contact me with ideas.

Sincerely,
Nanette Fish, President

HomeBoy Industries & HomeGirl Café

What a wonderful day! At 1100 hours we embarked on a journey with our tour guide Omar. We were provided an opportunity to understand the culture, lifestyle and decisions that happened to many of the individuals that are associated with HomeBoy Industries. We learned about the vigorous class schedules required for the “Program” and how many of the “Program” graduates continue to volunteer with Homeboy Industries and the skill sets learned to navigate a healthy lifestyle. We learned that father Boyle often takes several “Program” members when he travels, so they may see life outside of Los Angeles. It was eye opening for us as a group to learn that many of the individuals served have not been to the beach or to the mountains.

After our tour, we dined to a delicious lunch at HomeGirl Café. Our lunches were delicious and the staff was attentive and genuinely made us feel welcome. After finishing our meals, many of us purchased baked goods, chips and salsa and a variety of items in the bakery and store.

Our members that attended: Rachel LaSota, Carole Rodenbucher, Dawn Tarin, Debi Mistretta, Kathy Mushinskie, Trisha O’Brien, Ann Seitz, Staci Hazlett, Kellie McKinley, Peppo Arrighi, Cyl Rudar, Pam Polagi and ...Honorary Member in Attendance: Bob Rodenbucher
