Historical Society of  
Temple City for their  
Programs

#### JUNE 10TH GENERAL MEETING \*IN PERSON\*

## PRESIDENT'S MESSAGE

Dear Woman's Club Members,

I am so honored to serve as your President for the coming year. Dawn has done such a wonderful job as our President, and she will be a hard act to follow. Thank you, Dawn, for creating so many great memories for our members, and for helping us enjoy such fun activities while we had to "Zoom" rather than meet in person. Hopefully, within the next several months, we will be able to have in-person meetings once again.

## JUNE 10, 2021 GENERAL MEETING

The first General Meeting of the 2021-2022 Year will take place **IN PERSON** at one of our favorite restaurants, Alex DiPeppe's at 12:00 noon. *Space is limited to 30 people, so make sure to RSVP early.* It will be a buffet style meal. Additional information, such as cost will be sent to members soon. We hope to see you then to enjoy our "New Start!"

**Alex Di Peppe's**  
608 E. Live Oak Ave., Arcadia  
*Lunch Begins at 12:00 Noon*

RSVP to [WomansClubOfTemple City@gmail.com](mailto:WomansClubOfTempleCity@gmail.com)

## BOARD MEETING WILL FOLLOW GENERAL MEETING

# COINS ON A GRAVESTONE

**What They Mean**

 You visited the grave	 You went to basic training together	 You served together
		 You were there when they died

Thank you Carole Rodenbucher for suggesting that this information be provided to Club Members.

## MAY 2021 RECAP

by Dawn Tarin

What is something we all use - trash cans! If you haven't already heard, Temple City's Athens Services contract will change effective July 5th. In May we were fortunate to have Ed Chen, Director of Governmental Affairs for Athens Services share information about the upcoming changes and answer our numerous questions. You can watch this program courtesy of Jerry Jambazian through [www.TempleCityPhotos.com](http://www.TempleCityPhotos.com). In addition, within this Forecaster is a flyer with additional information.

In addition, at our first May meeting the Historical Society of Temple City provided an update regarding the Museum & Hall and presented items which are being liquidated to make room for the new Museum. On Sunday, June 6th they will be holding a Yard Sale. Samples of items to be sold can be found on their website [www.historicalsocietyoftc.com](http://www.historicalsocietyoftc.com)

# PRESIDENT'S MESSAGE (CONTINUED)

As I begin this new position, I follow so many great ladies who have served as President. The Woman's Club of Temple City has served such an important part of our city's history, and I know we will continue to do so in the years to come. Having been involved with the Camellia Festival for so many years, I appreciate the fact that our club was the originator of this special Temple City tradition and coined the motto "Home of Camellias". We continue to play an important part of our community. Through your efforts, we support our schools, both through school donations and our high school scholarships, our booming performing arts, and several charities.

When I was teaching, I was chairman of the Longden Multicultural Night for close to 15 years. This was a night to celebrate the diversity that made Longden the unique community it is. As our Woman's Club has grown in numbers, it has also grown in its diversity. Our members represent many cultures, and the blend of all these cultures is what makes our club so special. My goal is that each month one of our meetings will feature a culture represented by some of our members. I'm hoping that our members will feel comfortable enough to share some information about their culture and traditions. We can help you with planning. Please let me or Carole Rodenbucher (our new First VP) know if you have ideas about how we can celebrate your traditions.

Thank you all for the confidence you have shown in electing me as President of the Woman's Club of Temple City. I am looking forward to sharing some new memories with each of you.

Mary Sneed, President

## MESSAGE FROM THE EDITOR

I am excited to serve the Woman's Club this year as The Forecaster Editor. I will be encouraging members to share your diverse voices. Share stories about family events or holidays, so that we can celebrate with you. Have you been on an adventure, or plan to? Share it with the Club Members.

Some members might be intimidated to submit something in writing.

That's ok - we can talk and I would be happy to write an article for you to review, and include a photo!

The bottom line is, if you have something you would like to include in the The Forecaster, let me know!

Send an email to me - Dawn Tarin - at [dawntarin@hotmail.com](mailto:dawntarin@hotmail.com) by the 20th of the month or give me a call.

### ATTENTION TEMPLE CITY RESIDENTS: NEW WASTE & RECYCLING PROGRAM

#### WHAT IS CHANGING?

Athens Services is advancing Temple City's waste and recycling program. Starting July 1, 2021 residential customers will be transitioning from a manual hand-tossed mixed-waste and green waste collection program, to a source separated waste, recycling, and green waste program.

#### WHY IS THIS HAPPENING?

Athens and Temple City are partnering to change the City's waste and recycling program to stay in compliance with California recycling laws.

#### ENHANCED RECYCLING

Increased recycling and reduced landfill waste through source separation

#### NEW CONTAINERS

Residents will receive three new 64-gallon containers

#### DO I HAVE TO BUY NEW CONTAINERS?

No, Athens will provide customers a new set of containers as part of the new waste and recycling program. Each customer will receive a set of three 64-gallon containers: a black trash cart, a blue recycling cart, and a green waste green cart.

#### REDUCED TRAFFIC

Reduced traffic and wear on city streets with one service day

#### ARE MY PICK-UP DAYS CHANGING?

Yes, starting July 5th residential customers will be serviced 1 time per week. Athens will begin notifying customers of their new service days soon and will make service maps and more information available on [AthensServices.com/TempleCity](http://AthensServices.com/TempleCity).

#### ENVIRONMENTAL COMPLIANCE

State-mandated recycling program
