President's Message – Nanette Fish

Hello Fellow Woman's Club Members,

Our club is growing by leaps and bounds, Up to 114 members. Thank you to all. April brought us many fun and exciting meetings and auxiliary events. Bingo is always fun. Thank you Carole Daughterly and Frances Scorsone for organizing a fun afternoon. Many thanks to those who brought raffle prizes that day. We had almost one for every member.

We have artists in our club! Our first ever Paint Night was a huge success. Don't forget to see the attached pictures. Thank you to Gina Aparicio, Candy McKiernan and Denise Wilhelm for organizing.

Many thanks to those members that helped with the Temple City Community Prayer Breakfast. We had close to 80 attendees. The food was delicious and the prayer was heavenly.

Denim Day is a wonderful day to celebrate Woman, and our club celebrated at our April 25 meeting with speaker Dr. Mona Armijo. Renowned author of "The High-Heel Footprint". This book is an extraordinarily empowering book on how all of us as woman should love ourselves and support woman everywhere. Thank you to Dr. Mo for your inspiring insight, and also to Sylvia Stoker for arranging her appearance.

Well this is my last Forecaster as President of our club. I have had a special place in my heart for this club ever since I first became associated with it way back in 1999. I want to thank my board officers and chairman for all their hard work, dedication and friendship. This group of members gave hours of their time to make sure our club ran smoothly and was a continued asset to our community.

To our Auxiliary event hosts, thank you for filling our calendar with exciting events and adventures for those who can't make daytime meetings. This club is very successful in our philanthropic projects only because of our members who serve selflessly. I could not have been prouder then to have been your president for 2018-19.

Thank you,
Nanette Fish
