PRESIDENT'S MESSAGE

Was March truly five months ago?

I have very much missed spending time with you! In many ways it feels like our "Safer at Home" restrictions were only put in place yesterday . . . and then I realize that nearly two seasons have passed since we were together. The chance meeting at the grocery store, or even a Zoom video conference, truly does not take the place of enjoying one another's company at a Woman's Club Luncheon or Dinner meeting. At this time, however, we continue to abide by the Los Angeles County Health Officer Orders, which means that we are unable to gather together for our meetings in person. I hope you will all join me in "making lemonade out of lemons" and look at our cups as "half full." The

Woman's Club of Temple City has been through a lot of trials in its 95-year history, and this will just be another story for our history book!

Looking forward, I hope you will join me in what, for now, will be our "new normal" - Zoom meetings. When reviewing your Yearbook this year, you will note that there is a certain "lack of specificity" -- which is intentional. It is our hope that as restrictions ease we will be able to modify meetings to allow us to gather in some fashion in person – but we will always take into consideration the safety of all of our members and adherence to guidelines. The Board and I hope that you will join meetings and activities as you feel comfortable and are able. We will be having a Technology "no stress" Practice event before our first meeting. I hope this will assist anyone who is a bit intimidated by the technology to join us at Zoom meetings.

In the meantime, I'm working on a "Pandemic" hat this year, or maybe a "Votes for Women" hat, or maybe I will use one of my vintage hats ... you will have to tune in and see what I decide!

I look forward to seeing everyone's creations as the historic Woman's Club of Temple City begins its 95th year!

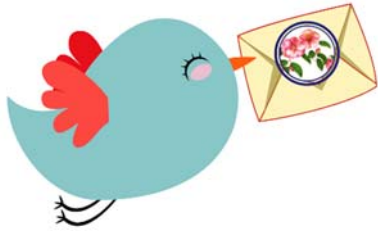

Yearbook

The majority of our members should have received the club Yearbook by now. Please let Dawn Tarin know if you have any corrections.

A big THANK YOU to our "Yearbook Delivery Service" members who saved our Club over \$140 in postage! Thank you, ladies, it truly is a team effort!

CHALLENGE:

Write a short letter to one or more of our members and introduce yourself!

If you receive a letter, send an email to WomansClubOfTempleCity@gmail.com with the name of the person(s) who sent you the letter. Prizes will be awarded at the September 10th General Meeting.

Auxiliary Events

Auxiliary Chairmen Gina Aparicio and Mary Jean Ferranti-Chuck are interested in hearing from Club Members with any thoughts you might have for virtual get togethers or activities would allow us to keep within the Social Distancing guidelines.

What's My Line?

Many of us have outside interests/skills which brings in an income, such as baking, sewing, babysitting, selling a product, landscaping, driving people to their destinations, financial services, housecleaning, or crafting, etc. We want to create a network in which we can help each other to provide a service where there is a need and to help bring in an income.

We will be collecting the names of people and the services they provide. Here are some services our members provide:

Kelly Barrios - Jewelry / Crafts / Fundraisers

Kelly Barrios – Avon! Visit her Avon Page at

<https://www.youravon.com/kellybarrios>

Louise Huff - Sews Personalized Pillowcases & Tote Bags/Face Masks

Lisa Montesanti - Homemade Baked Goods – Price sheet available upon request

Donna Palmieri - Homemade Greeting Cards / Dance Lessons

Cynthia Sternquist – Can connect members up with a mask provider

Temple City – Senior Data Base

You may recall that the City of Temple City put together a Senior Master Plan a few years ago, with the general goal of making Temple City an aging-adult friendly city. One of the main goals is to put together an aging-adult (50+) database so that the City can keep these residents connected

to events and resources available in the community. If you are interested in becoming part of this database, the form is attached. Please feel free to pass the form along to other friends/family members who live in Temple City and meet the 50+ requirement. **This information will NOT be shared or sold to another party. Only the City of Temple City will keep this information.**

Technology Practice

The Woman's Club Board has had several meetings on Zoom since March, but we realize that not everyone may have had the opportunity to use this technology, so Dawn is going to have a "no pressure" practice session. You can pop in anytime on Wednesday, September 9th from 7:00 pm to 8:00 pm to see how it works.

You can access a Zoom meeting with video from your phone, tablet, or computer by downloading the application (aka App) at <https://zoom.us/download>. If you don't want to do this, in the email there will be several phone numbers listed. You can call into the Zoom meeting and experience an old fashioned "party line" call. An email with all of this information will be sent to you from dawntarin@hotmail.com on Tuesday, September 8th.

In addition to Zoom, we will be using an application (aka App) called Kahoot. This application is new to Dawn too, and she will be experimenting with it during the September 9th practice meeting. The website to download the App is Kahoot.com. The City is holding a Trivia contest which will use this application and they recommend that Kahoot be used on a different device than the Zoom application, if you are using them together - which would be the idea for us. So, we suggest that you download Kahoot onto a

phone or iPad and Zoom on a computer if this is available to you.

Call Dawn at (626) 688-8009 or email her at dawntarin@hotmail.com directly if you have any questions.

Don't be afraid of technology – use it as a tool that can bring us TOGETHER!

Hat Contest & Scavenger Hunt Bingo

Our first meeting in September has become our “Hat” meeting. We will continue this tradition while maintaining Social Distance requirements. How will this happen?

- On Monday, September 7th you will be sent an email with a Scavenger Hunt Bingo Card with squares labeled with items such as “Walter P. Temple” or “Flowers”.
- You will need to take a digital photo with any device (camera, phone, iPad, etc.) of your HAT with the item noted in the SQUARE.
- For example: I’m going to take my Hat the Temple City Park and put it on Walter P. Temple’s head and take a photo. I then get to mark that square on the Bingo card.
- On Wednesday (the day before the meeting) Jerry will have a prize for each member who comes in and drops off their Bingo Card. Don’t forget to bring your Hat! Jerry will also have a Photo Op ready to take your picture. (Thank you, Jerry!).
- The Bingo cards will be collected at Wonder Cleaners on Thursday and winners will be announced at the Zoom meeting.
- *More detailed instructions will be provided on Monday, September 7th by email on our Website www.WomansClubOfTempleCity.org.*

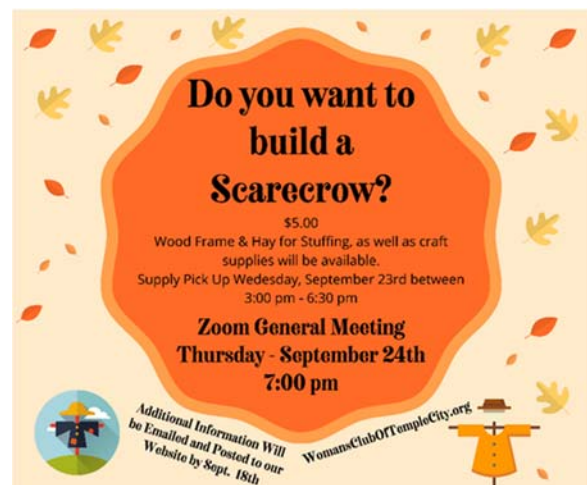

OUR TRADITIONAL “HAT CONTEST” WILL BE JUDGED FROM JERRY’S PHOTOS!
