PRESIDENT'S MESSAGE

Dear Woman's Club Members,

I hope this finds all of you keeping cool and enjoying some time to relax and possibly visit with family and friends. We just enjoyed a weekend visit with our oldest son who lives in Detroit. We had lots of family time and our grandkids got some special time with Uncle Bill. As we move toward more people getting vaccinated, times like these are becoming possible.

Another sign of a return to "normal" is the start of Temple City's Concerts in the Park, which began on July 21. Woman's Club will have an information table at the concerts. We hoped to raise some funds by selling snacks, but unfortunately Covid protocols do not allow this right now. I appreciate the help Gina Aparicio has given me to prepare and man the table. I hope some of you can stop by to say hi and encourage your friends to get some information about joining our club.

Happy 70th Birthday

PRESIDENT'S MESSAGE (CONTINUED)

As the Historical Society Museum renovation moves forward, it is hoped that the displays will be back in the museum and out of the hall by the end of the summer. I want to send a huge thank you to Bob Westgate, our Woman's Club Rep to the Historical Society, for volunteering to clean the carpets for us. This is the next big step toward setting up the museum displays. Thanks also to all the Boy Scouts he brought along to help with the work. The carpet looks great! All this work will enable us to hopefully return to in person meetings by early fall.

Enjoy the rest of the summer. Safe travels if you are able to do so. Take care and stay safe.

Sincerely,
Mary Sneed

YEARBOOKS HAVE ARRIVED!

We would love to see your smiling face, if you are able to pick up your Yearbook during the

Concerts in the Park on
August 4th or August 11th

If you are not able to pick up your Yearbook by August 11th, your Yearbook will be delivered or mailed.

Dear Members of the Woman's Club of Temple City,

We're proud to present our 2021-2022 Yearbook! Inside you'll find a history of our Club, our By-Laws, Schedule of Meetings, our Budget and so much more. Most important, we include a Roster of our Club Members. We do ask that you keep this list private, and not share the information for commercial use.

I am very excited about our new year of activities. You will notice the design of our cover reflects our theme for the year: to celebrate the cultural diversity of our members. We already have several activities planned to begin these celebrations. If you have any ideas to help us recognize your culture, please let us know. We will help you bring your ideas to life.

We hope to return to in-person meetings sometime this fall, based on the latest Covid protocols. Stay tuned to find out our latest plans.

I want to add a huge THANK YOU to Dawn Tarin for all her work bringing this Yearbook to reality. Her technological knowledge and creative mind helped create a wonderful book for our members. You truly are our tech wizard!

I'm honored to serve as your President for the coming year. I know we will be creating and sharing new memories as our year progresses!

Take care, and stay safe!

Much love,
Mary Sneed, President
