PRESIDENT'S MESSAGE

Dear Woman's Club Members,

This is the time of year when we all take a moment to stop, think and acknowledge all we are grateful for. I hope you were able to spend some time with family this Thanksgiving. Our family was able to be together again this year, four generations worth! Our family is still blessed to have my mother still with us at 96, and her husband who turns 100 the day after her birthday. Having her still with us to share family stories is so important for our grandkids to hear. I know you all recognize how important these times are that we can once again share with family and friends.

PRESIDENT'S MESSAGE (CONTINUED)

This past month, we acknowledged our veterans with a beautiful celebration spearheaded by our 1st Vice President, Carole Rodenbucher, and our Club Meeting Coordinator, Louise Huff. Thank you and your committee for creating such a beautiful event! In December, we will get to celebrate the Woman's Club birthday and the coming holidays.

After the challenges of the last year and a half, it is so wonderful to be together again to share the joy of the coming holidays. This year, we have been learning more about the different cultures represented by our members. I'm sure many of you will have the chance to enjoy the special holiday traditions you have grown up with. Being Italian, many of our traditions revolve around food, of course!

At our meeting, we will also have the chance to help some of our philanthropies. The grant we received from AT&T has allowed us to help foster youth through Friends of Foster Children, and we are once again able to help Door of Hope. We can be proud of our club history of supporting these outstanding charities.

Lastly, many of our members have participated in Relay for Life of Temple City for several years, and once again took part in this year's Relay. Through their hard work, and the generosity of many donors, Relay raised more than \$53,450 for cancer research this year! This is outstanding!

From my family to yours, I wish you all a wonderfully blessed holiday season. May you all enjoy a beautiful time to rest, relax, and feel the joy of this special time of year. We have much to be grateful for.

God bless you all.

Much love,
Mary Sneed
