## PRESIDENT'S MESSAGE

Dear Woman's Club Members,

This will be my last message as your President. Throughout my career as a teacher, I encouraged my students to celebrate our own cultures while also celebrating our differences, because that was what made our class unique. When I first started my presidency, I shared my vision of celebrating the diversity of our membership. You all gave me the courage to follow this dream. I have enjoyed, and I hope you have enjoyed, exploring different holidays and cultural celebrations. Thank you for traveling this road with me.

## PRESIDENT'S MESSAGE (CONTINUED)

We started the year unfortunately without a meals committee or Program Chairman. Without being asked, so many members stepped up to plan our meetings. You enlisted husbands to cook for us, invited friends to plan our decorations, and brought us speakers and entertainment. We enjoyed a yummy variety of foods. Many of you stepped out of your comforts zone and opened yourselves up to new friendships. Through these many months, we enjoyed our time together. I am truly grateful for everyone who volunteered to work on one of our meetings! We saw the return of our Christmas Party, updated our Bylaws and Standing Rules, and are moving closer toward gaining our nonprofit status. We also expanded our philanthropies, and started "Giving Tuesday All Year" to increase our Scholarship Fund. I am very grateful to all who brought these ideas to life for us!

Temple City is a community that values volunteerism and family involvement. Since its inception in 1925, the Woman's Club has reflected this in so many ways, joining community efforts to bring mail delivery to Temple City, assisting efforts to build a new school, and supporting the war effort. Our Club continues to be an organization of community leaders. Many members are involved in the Camellia Festival and the Historical Society of Temple City. As the daughter of parents who encouraged us to become fully involved in any organization we joined, I have valued the opportunity to serve you these past 2 years.

I recently saw this quote: "Some people come into our lives, leave footprints on our hearts, and we are never the same." This struck me in a profound way. Each of you, in your own way, have left an indelible mark on my heart. It has been a pleasure and honor to serve as your President. I am very grateful to our Board for their support and their efforts. I know you will continue to be in good hands as our new Board takes office at the end of this month.

Many thanks for giving me the honor of serving as your President. Having the chance to be a part of such an outstanding organization and to serve in such a position these past 2 years has been a highlight of my life.

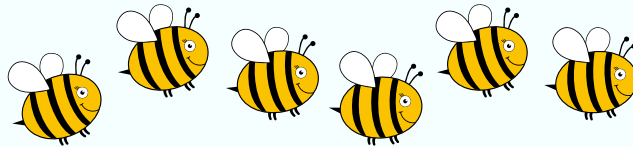

Thanks each of you for leaving your footprints on my heart.

Much love,  
*Mary Sneed*  
President

# THANK YOU MEETING VOLUNTEERS

Thank you to all the people who stepped up to help with our meetings this year. Losing our meals committee could have been a huge problem if we didn't have you, Kristi, Sandee, Kathy and your crew step up and say things would be ok and created that first meeting. Slowly we got the other meetings covered once our members saw what we were creating. We think things went really well, and members enjoyed themselves. We hope we included everyone, but if we accidentally left you off the list, please know that your assistance was truly appreciated, and that the error was unintentional. So many of our members helped create several meetings over the year...like a crew of busy bees! I am so indebted to you all for everything you've done.

# APRIL 27TH MEETING HISTORY REVISTED

At our April 27th General Meeting we had a very informative and enjoyable presentation by three ladies of the Daughters of the American Revolution of the Martin Severance Chapter, Pasadena. Mary Lou Langedyke, Donna Reigel and our own Carole Rodenbucher wore authentic costumes that they researched and made themselves. Each lady gave a delightful description with a touch of humor of how their character helped to serve in the American Revolution.

Thank you ladies for a glimpse back to our history and how women played an important role in America's fight for our freedoms.

Louise Huff  
President Elect
