## PRESIDENT'S MESSAGE

Dear Woman's Club Members,

Welcome to Fall! As the weather, hopefully, gets cooler and the leaves start to change, we look forward to more Woman's Club activities. This past month, we kicked off our year with our annual Hat meeting (and welcomed many of our hubbies), then Bebopped at Bun-n-Burger as we remembered our younger days of malt shops, burgers, fries and onion rings.

Many of our members are celebrating Hispanic Heritage Month. We too celebrate with you, and recognize how your culture enriches our Club's diversity. I look forward to learning more from our members. October brings plans for lots of fun at our first meeting we'll be having a trivia contest, and play several games of Bingo.

### During WWII, Lipstick Became a Sign of Patriotism

Bright red lipstick roared back into fashion during WWII for a surprising reason. Hitler reportedly hated red lipstick, so American women painted their lips to tell off Hitler's supporters.

Women flooded the factories and the battlefields in the 1940s, wearing red lipstick as a sign of patriotism and bravery. The Marines created a mandatory lipstick for female Marines called Montezuma Red. The red color represented the American flag and came to symbolize strength.

# PRESIDENT'S MESSAGE (CONTINUED)

As the granddaughter of Italian immigrants, I'm excited to share part of my heritage in October too. We'll be celebrating "Italiano Time" at our second meeting on October 28th at Alex Di Peppe's.

October is also Breast Cancer Awareness month. I know some of our members are breast cancer survivors. They have shown cancer who is boss, and have kicked cancer to the curb! We celebrate you! In their honor, let's wear lots of denim or pink this month!

On November 6, we will be celebrating the 10th Anniversary of Relay for Life of Temple City. Many of our members are participating in this event that supports the work of the American Cancer Society. We invite you to come by Temple City Park that day and perhaps take a few laps around the park in honor of those who has fought cancer. If you are a survivor, or have family or friends who are cancer survivors, please send me their picture for our Luminaria slide show that concludes the Relay for Life event. Please send the photos in jpeg format to msneedtc@yahoo.com, and include their name and whether it is "In Honor of..." or "In Memory of..."

Thank you for being a part of our group of powerful women. Through our own strength, we give strength to others. Take care, and stay safe,

Much love,  
*Mary Sneed*
