OCTOBER GENERAL MEETING INFORMATION

PRESIDENT'S MESSAGE

Dear Woman's Club Members,

Watching the news over the last two weeks, especially the reports covering the death of Queen Elizabeth II, I was amazed by the many ways one person's life touches the lives of so many others. The fact that people were willing to stand in line for hours to pay tribute speaks highly of their appreciation of her 70 years of service to her country.

On a local level, I am always grateful for those who see a need to serve others, and step up to take on those jobs that will benefit others. At our two September meetings, we saw this in action. We started our year benefitting from the efforts of members who wanted to make a special time for our members.

PRESIDENT'S MESSAGE (CONTINUED)

Our first meeting saw us enjoying “Kristi’s Famous Tri-Tip” dinner with help from her hubby, Bert, and Sandee Kidd, Kathy Perini, Rachel LaSota, and Lynne Hanamoto. After our delicious dinner we enjoyed the talents of Hannah Kwok, daughter of one of our newest members, Christina Pompa-Kwok. Two weeks later, Debbie Fairman created a delightful “Tea Time Picnic”. Not only did she organize the meeting, she made all the desserts, provided beautiful teacup gifts for everyone, she then gave a talk on some VERY creative uses for teacups. I know I speak for all our members when I say we are truly thankful for all these efforts.

I also want to thank some of our members who have filled in for members who are unable to be with us at this time: Debbie Resley, who is helping us with check-in while Kristi and Bert make their way back to Temple City from Michigan; Carole Rodenbucher, who will be handling 50/50 while Mary Jacobs gets some much needed rest; and Ann Seitz, who will taking our minutes while Kathy Mushinskie recovers from her surgery. Thank you for stepping up!

During the summer, a committee of dedicated members have been working on updating our Bylaws and Standing rules. This was a huge job, and their work will set forth a guide for our future. Working together, they all showed a willingness to blend their ideas for the betterment of our Woman’s Club. Many thanks to Chairman Joanne Rosso, and committee members Carole Rodenbucher, Dawn Tarin, Louise Huff, Candy McKiernan and Kathy Mushinskie, and our Parliamentarian Ann Seitz.

As we move on, I am hoping more of our members will be able to help us create some fun times. October will bring us Oktoberfest! and Halloween. Plans are already starting for these meetings, but we can always use more helping hands. Everyone is welcome!!

I am so truly grateful to each of you for touching my life, and I appreciate what each member brings to our club.

Much love,
Mary Sneed
President

Directions

Lessons from Geese

(Part 1)

-Author Unknown

-Article Submitted by Pocketsize Youse

Geese fly together, they share a common goal and direction.

Geese fly in a perfect V formation. Studies have shown that flying in this way and using this kind of “teamwork” adds 71% more flying range for the geese than if they flew on their own. This is because as each bird flaps its wings, it creates an ‘uplift’ that reduces air friction for the birds that follow.

The lesson – people who share a common goal and direction can get where they are going much faster and much more efficiently, because they benefit from the momentum of the group.
