Dawn Tarin, President

PRESIDENT'S MESSAGE

On May 9th, I was proud to be installed as President of the Woman's Club of Temple City. The Women who have served as President in the past are awe inspiring in what they have meant to our Club. I can only hope that I can live up to their legacy. Thank you, Nanette Fish, for being a wonderful 2018-2019 President!

Recognizing the importance of local Woman's Clubs, State Senator Susan Rubio asked her representative, Sandra Armenta to present certificates to the incoming Officers, and we appreciated her taking the time to present us with the certificates on her busy Thursday evening.

After concluding our business meeting, Club members were delighted to partake of all the potluck offerings provided by our members. I must say – we know how to make delicious food!

The Temple City High School Brighter Side Singers then arrived and astounded us with their talent. The end of the year performance is always bittersweet though since we have to say "goodbye" to so many talented Seniors, which this year included our own Connie Deckon's granddaughter, Alia. I know each of them will be successful wherever they further their talents!

Thank you for giving me your confidence to act as President this year. Please feel free to reach out to me, or any of our Officers, with suggestions for the upcoming year!

In Our Thoughts...

Sending our condolences to **Lisa Montesanti** on the passing of her sister and **Melanie McShane** on the passing of her mother. Sending our thoughts and condolences to **Candy McKiernan**, as she has lost five friends/family members this year.

Woman's Club Baked Potato Booth at Concerts in the Park

Concerts in the Park begin on Wednesday, June 19th and run for 10 weeks through August 21st. Look for the Sign-Up Genius link in your email soon to volunteer and sign up to work your shift. If EVERYONE volunteers for One (1) shift, it would be AMAZING!!! The band performance schedule is included with this Forecaster – so pick your favorite group and enjoy a night out with the Woman's Club and the rest of Temple City! Getting to Know You – “Dawn Elizabeth Tarin”

We have 89 renewing members, and it has come to my attention that many of us do not know each other. Some of us are able to come to the luncheons, some of us are able to come to the evening meetings, and some of us to the auxiliary events. So, I am going to try to focus on someone each month, that we can all get to know a little better. Since this is my first attempt at this, for this month I'm going to focus on me.

I have essentially lived in two homes during my life, the house I grew up in on Rio Dell in Rosemead (very close to Rosemead Park), and the house my husband of 30 years. Jose, and I raised our family in on Jaylee in Temple City. We have two amazing children, Beth who is 28 and Michael who is 24 (yikes that makes me 54!).

I worked for 22 years at a law office in Glendale, growing as 21-year-old beginning secretary to then bookkeeper and then ending my career as a paralegal. During this time, I earned my Bachelor's Degree at Cal State LA in History and then obtained my Teaching Credential from Azusa Pacific. My change in careers, however, was not planned well, and by the time I was ready to be a teacher there was a surplus of teachers in the local school districts. Not willing to sit idly by, I began volunteering, including serving as General Chairman of the 70th Camellia Festival in 2014, and in with the 2016 festival I took on the role of Festival Director.

In addition to the Woman's Club and Camellia Festival, I am Treasurer of Kiwanis of Temple City, Secretary of the Sister City Association, Survivor Chairman for Relay for Life of Temple City, and am finishing up two years as Parliamentarian with Longden PTA. We have so many worthwhile organizations in our wonderful City that I can't seem to help donating my time to them!

Woman's Club has a special place in my heart. My grandmother and cousin were members of the Rosemead Woman's Club for over 25 years, and I attended several meetings there while growing up. It was not until I was General Chairman of the Camellia Festival in 2014 that I came to know a bit about the

Woman's Club of Temple City and joined the Club in June of 2016. It has been a pleasure seeing the renewal and growth of the Woman's Club of Temple City, and I can't wait to see where our members lead us in the future.

What's My Line?

We are going to start a new feature called, "**What's My Line**" that will be available only to our members.

Many of us have outside interests/skills which brings in an income, such as baking, sewing, babysitting, selling a product, landscaping, driving people to their destinations, financial services, housecleaning or crafting, etc., I think you get the picture. We want to create a network in which we can help each other to provide a service where there is a need and to help bring in an income.

I will be collecting the names of people and the services they provide. Then I will submit the list to be printed in the Forecaster. Here's an example:

- ***Louise Huff - sews personalized pillowcases and tote bags.***

I think this will be fun and helpful to many of us who are looking for just that right person to fit our specific needs. It will definitely be a win-win situation. If you would like to be included, please contact me at lrquff44@yahoo.com or 626-673-3307. ~ Louise Huff

4th Annual Community Christmas Party Sunday, December 8th

Planning is underway for our 4th Annual Community Christmas Party. Rachel LaSota will again serve as Chairman and is in the process of assembling her committee. If you would like to be part of this group, please contact Rachel at rlasota29@gmail.com. Organizing meetings will be taking place soon!

Temple City High School Grad Nite – Friday, June 14th Hospitality Room Food Donations Needed

Temple City High School will hold its Grad Nite celebration on Friday, June 14th beginning at 10:00 pm until 6:00 am Saturday morning. The Grad Nite Hospitality team is being spearheaded by our own Nannette Fish, who is looking for food donations. Non-perishable items, such as water, soda etc. can be dropped off at her house, or she can arrange to have it picked up before Friday's Grad Nite. Perishable items such as salads, desserts, main courses can be dropped off at the high school after 12 noon on June 14th. For easy drop off, give Nan a call and she will meet you in the student parking lot (the lot by the football field) on June 14th (again, after 12 noon). The Hospitality Room can heat up and refrigerate items which will be served throughout the night to adult volunteers. Contact Nan at nanfish08@gmail.com for details or further information. All donations are welcome!

Volunteer Opportunities

If you have never volunteered to work at Grad Nite, we highly recommend it! It is an amazing event put on entirely by volunteers. The support of community volunteers is greatly appreciated and welcome. This is the link to their Sign-Up Page. Volunteer jobs range from security, serving food, dealing Blackjack, or helping clean up the next morning. <https://www.signupgenius.com/go/4090945a4a7229-tchs3>
