PRESIDENT'S MESSAGE

Spring is here! Flowers are blooming, birds are chirping, noses are running from all of the pollen! I hope everyone is enjoying our warm weather. If you need a poppy field fix, in miniature, take a swing by my front yard. The poppies are slowly taking over one side, while sunflowers have reign over the other side - courtesy of my bird feeder. Now, if I can only keep the squirrels from eating the tops off the sunflowers long enough for me to enjoy them!

I admit to being in good spirits today. My good mood may be due to the weather, or the relief I'm feeling from receiving my vaccine. along with the majority of my close family members. I hope many of you are experiencing this same kind of relief. If you would like the vaccine and are having difficulty scheduling an appointment, please let me know and I would be happy try and help you to secure an appointment. In the meantime, keep wearing your mask and maintain social distance as recommended.

Keep up the hard work and think good thoughts for our return to what will likely be a “new normal” for some time, but hopefully a “new normal” where we can see each other once again safely.

Happy Spring, Woman’s Club of Temple City!

Woman’s Club Wednesday

Woman’s Club Wednesday continues to be a way for us to “keep tabs” on one another. It has now been over a year since we began this program, and I know many of our members appreciate the weekly connection. Thank you, Kathy Mushinskie, for doing a wonderful job. If you would like to opt in or opt out, please make sure to send Kathy an email.

What’s My Line?

Many of us have outside interests/skills which brings in an income, such as baking, sewing, babysitting, selling a product, landscaping, driving people to their destinations, financial services, housecleaning, or crafting, etc. We want to create a network in which we can help each other to provide a service where there is a need and to help bring in an income.

We will be collecting the names of people and the services they provide. Here are some services our members provide:

Kelly Barrios - Jewelry / Crafts / Fundraisers

Kelly Barrios – Avon! Visit her Avon Page at

<https://www.youravon.com/kellybarrios>

Louise Huff - Sews Personalized Pillowcases & Tote Bags/Face Masks

Lisa Montesanti - Homemade Baked Goods – Price sheet available upon request – **Suspended service until further notice**

Donna Palmieri - Homemade Greeting Cards / Dance Lessons

Cynthia Sternquist – Can connect members up with a mask provider.

In Our Thoughts...

While we are apart many of our members are going through personal challenges, changes in living situation, loss of loved ones, or just needing to know that there are other people thinking about them. Please know that we are thinking about you, even if you are not named.

Happy April Birthday Wishes To:

March Meeting Review

On March 11th we were treated to a wonderful program by Matt Byers from his beginnings as a teacher through his retirement, and many of his adventures in between. Music, friends, and family are clearly the focus in Matt's life, and we were thrilled to have him share with us. We are also happy to hear that he is doing well after a surprise trip to the hospital a few days after our meeting.

On March 25th the Club was fortunate to hear directly from Temple City Unified School District Superintendent Dr. Kim Fricker who brought us up to date with the every-changing reopening status of the District. We wish the teachers, students and staff, the best of luck as they begin returning to in-person to school on Monday, April 4th.

For details regarding both meetings, visit Jerry Jambazian's website www.TempleCityPhotos.com. He was kind enough to video the meetings and post it online.
