### ***PRESIDENT'S MESSAGE***

As I was putting the finishing touches on information for this June Forecaster, I became victim to a computer hacker. Many of you received a false email from me, that ended with "Get back to me as soon as possible." Even though this was not a fun thing to have to deal with, it truly warmed my heart to have many of you call, email, text or message me – reaching out to make sure I was ok. ♥ We truly have an amazing Club!

I wish I had something spectacular to report for the month of May, but like most of you, it has been spent at home, with the occasional trip to the grocery store. My garden has never been so well cared for, and I have been enjoying watching the birds at the feeder, the hummingbirds at the flowers, and the bees (of all kinds)

buzzing around. My dogs will be lost once I am gone from the house for more than a few hours!

It was clear in the last week though, that it was necessary for many of my groups I am involved in to meet and make some decisions for the future -- Zoom is becoming easier to navigate. In fact, our Board held at Zoom meeting on May 21st, and I have highlighted decisions made herein.

I hope you all know that you continue to be in my thoughts as I go about my week. In the event a need arises, please do not hesitate to reach out. Several of our members, including myself, have expressed a willingness and ability to "assist" as needed. Do not hesitate to reach out!

"Be Well" my friends, until we meet again.

## *Woman's Club Wednesday*

Participating members continue to be contacted on Woman's Club Wednesday to check in. We will continue with Woman's Club Wednesday until we are able to meet again. If you would like to "opt out" just let me or your designated Officer know, and we will remove you from the weekly email. This has become a valuable tool for us to keep in touch with our members.

## *Membership Dues*

It is not too late to renew your membership and be included in the 2020-2021 Yearbook. A renewal form is included with this Forecaster.

**Please note that renewals should be mailed directly to Noel Palmieri, not to the Post Office Box.**

## *Yearbook*

The incoming Board will be meeting soon and putting together events and meeting information for the 2020-2021 year. If your personal information in the previous Yearbook was incorrect, please make sure to let Dawn Tarin know at [dawntarin@hotmail.com](mailto:dawntarin@hotmail.com). A master list will also be circulated for review prior to publishing.

## *Kellie McKinley Has Moved!*

On May 14<sup>th</sup> our member, Kellie McKinley sent the following email:

*I have been putting off this e-mail because it hurts my heart so very much. Pacific Friends School is closing indefinitely. All staff were laid off. As I own a house in northern California, I cannot support myself on unemployment here and still pay my mortgage there as well. I am moving to Northern California to seek employment there at this time. Unfortunately, that means I must resign from the Women's Club. I am so sad about it, as I felt I had just started to develop a whole new set of good friends. I will miss all of you immensely!*

*Please thank all the ladies for their kindness and friendship for me.*

*Missing all of you already!  
Kellie McKinley*

## *Zoom Board Meeting*

On May 21, 2020, the Woman's Club Board held its first "Zoom" Board meeting. It is always fun to learn something new! During the meeting, the following items were decided:

- All Future Meetings: June 11, 25 & July 16<sup>th</sup> are cancelled. At this time, there are no meeting or events schedule for the Woman's Club.
- Members who had pre-paid for lunch/dinner were notified of the option to donate the \$78 in unused funds to the Club or obtain a refund.
- The Community Christmas Party Scheduled for December 6, 2020 has been cancelled.
- Temple City's Concerts in the Park are cancelled, so there will not be a Baked Potato Booth this year.

- The Emergency Preparedness Signature Service Project is placed on hold.
- The 2020 Scholarship Committee is disbanded.
- In light of the loss of future income, it was decided by the Board to forego the majority of our annual donations at this time.
- From the “Crazy Dreams” Auxiliary Event hosted by Ann Seitz, \$350 was donated to the Temple City High School Performing Arts and \$345 to the Woman’s Club of Temple City.

## *What’s My Line?*

Many of us have outside interests/skills which brings in an income, such as baking, sewing, babysitting, selling a product, landscaping, driving people to their destinations, financial services, housecleaning or crafting, etc., I think you get the picture. We want to create a network in which we can help each other to provide a service where there is a need and to help bring in an income.

I will be collecting the names of people and the services they provide. Then I will submit the list to be printed in the Forecaster. Here are some services our members provide:

*Kelly Barrios - Jewelry / Crafts / Fundraisers*

*Louise Huff - Sews Personalized Pillowcases & Tote Bags/Face Masks*

*Lisa Montesanti - Homemade Baked Goods – Price sheet available upon request*

*Donna Palmieri - Homemade Greeting Cards / Dance Lessons*

This will be fun and helpful to many of us who are looking for just that right person to fit our specific need. It will definitely be a win-win situation. If you would like to be included, please contact Louise Huff at [lrhuff44@yahoo.com](mailto:lrhuff44@yahoo.com) or (626) 673-3507.

## *Woman’s Club Elections*

Thank you to the 42 members who participated in the “Email Elections” which ended Thursday, May 28th. The vote was unanimous. The incoming Board will be meeting soon to discuss the upcoming year. If you have ideas for speakers, activities, etc., please contact a Board Member.

## *Temple City Happenings*

### **Temple City Celebrated the 60<sup>th</sup> Anniversary of the City's Incorporation on Monday, May 25<sup>th</sup>!**

Plans had been underway to mark the occasion in a more "public" fashion, but in light of the current restrictions this will not be possible. To celebrate the occasion, city staffers are working on Temple Sixty, a commemorative publication that highlights historical Temple City events for each year, beginning in 1960. The publication is expected to be completed and distributed to households in late summer. If you don't reside in Temple City, plan on picking up a copy at City Hall.

### **Temple City Coronavirus City Signs**

The City has been giving away free lawn signs to support frontline workers and "distant socializing" policies to remind us all that we are safer at home. A few signs remain available, contact City Hall if you still want a sign.

## **Temple City's Newest Councilmember**

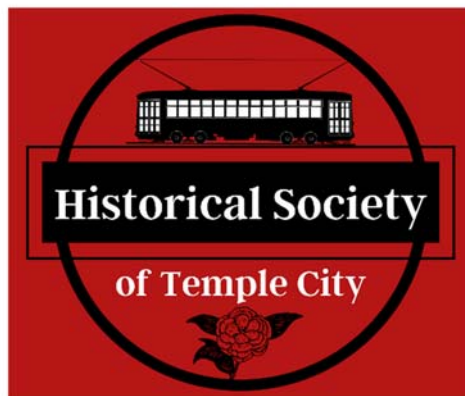

Fernando Vizcarra was appointed by the City Council to fill the seat left open by the resignation of Nanette Fish.

## **COVID-19 Updates**

Updates and links to services are available through the City's website <https://www.ci.temple-city.ca.us/> With events changing, in seems daily, this is an increasingly important source of information.

## **2020 Census**

Residents encouraged to submit census responses online, by phone or by mail by July 31. Hopefully, you have seen postcards, advertisements, and social media posts. For more information visit <https://2020census.gov/>

# Novel Coronavirus (COVID-19)

## Reopening Safer at Work and in the Community for Control of COVID-19 Order: Examples of What's Open in Los Angeles County

Through our Safer at Home efforts, we've collectively slowed the spread of novel coronavirus (COVID-19) in Los Angeles County, allowing for a phased reopening of some businesses and public spaces.
