PRESIDENT'S MESSAGE

Happy Fall! When writing this message, it is 102 degrees outside, but I will be optimistic and hope for cooler weather soon! Fall is my favorite time of year, with school starting and the days growing shorter; to me it feels like the beginning of the year, rather than the ending. While the start of our Woman's Club year is on Zoom, we have had a terrific turn out, and I hope more of you will join us in the future.

On September 10th we had our annual Hat Contest with Best Hat of the Night being won by Donna Palmieri, Best Vintage Hat by Debi Mistretta – again! and Best Pandemic Hat (may this be a once in a lifetime category!) won by Noel Palmieri. Jerry Jambazian was kind enough to take photos of everyone at Wonder Cleaners,

and all of the participant photos are up on our website. Congratulations to our Winners!

On September 24th, the program was "...do you want to build a Scarecrow" playing on the beloved song from the Disney movie Frozen. While we only had three members submit photos of their finished scarecrows: thank you Virginia and Mary Jean, several other members stopped by to pick up scarecrow supplies from Kristi Ferntheil's yard. I then used the "wonders of technology" to put together a program with some scarecrow trivia, songs, and a bit of the history of the scarecrow.

Upcoming meetings in October include Bingo and a Halloween themed evening of fun and games. For November we will be honoring our Veterans. If you have photos of a Veteran family member, please plan on sending it to Dawn before the November 12th meeting. More information will be provided in the November Forecaster.

In the meantime, don't forget to Vote by November 3rd. A Ballot Drop Box has been placed in front of Temple City Hall, to those who are interested in this voting method. The 100th Anniversary of Woman's Suffrage was in August, and due to the pandemic, most celebrations were modified. I hope that all eligible voters will exercise your right to vote in honor of their struggle to have women's voices heard.

Historical Society "TLC" Project

As many of you are aware, the Historical Society of Temple City, the owners of our Clubhouse, have a current fundraising campaign in progress. With an inability to rent the hall, the Society's normal source of income is not available. In addition, there is a significant amount of deferred maintenance that needs to be addressed. The Woman's Club Board would like to contribute toward this campaign in the amount of \$3,000, and we are therefore reaching out to our members to donate funds for this project. If you are able to contribute, additional information is available on our website, or contact a Board member.

Woman's Club Wednesday

Hooray for "Woman's Club Wednesday!" Who would have thought in March that this weekly connection would be so valuable! Thank you, Kathy Mushinskie, for doing a wonderful job! If you would like to opt in or opt out, please make sure to send Kathy and email.

What Are Your Holiday Traditions?

Do you have a creative and positive way you are changing things up for 2020? We would like to hear from you. Please send your "story" to either Noel Palmieri or Dawn Tarin by October 15th.

What's My Line?

Many of us have outside interests/skills which brings in an income, such as baking, sewing, babysitting, selling a product, landscaping, driving people to their destinations, financial services, housecleaning, or crafting, etc. We want to create a network in which we can help each other to provide a service where there is a need and to help bring in an income.

We will be collecting the names of people and the services they provide. Here are some services our members provide:

Kelly Barrios - Jewelry / Crafts / Fundraisers

Kelly Barrios – Avon! Visit her Avon Page at <https://www.youravon.com/kellybarrios>

Louise Huff - Sews Personalized Pillowcases & Tote Bags/Face Masks

Lisa Montesanti - Homemade Baked Goods – Price sheet available upon request – **Suspended service until further notice**

Donna Palmieri - Homemade Greeting Cards / Dance Lessons

Cynthia Sternquist – Can connect members up with a mask provider

In Our Thoughts...

During this challenging time for all of us, we know that some of our members have additional struggles and sorrows. Please know that we are thinking about you.

Noel Palmieri
Cindy Vance

Mary Sneed
Lisa Montesanti

If you learn of a member who could use a note of kindness, please notify a member of our Board.

Temple City Woman's Club

By Carol Daugherty

What a time of changes we had this year.

Changing how we meet and held our meetings dear.

All activities and events were challenged as planned, the Covid-19 pandemic made these in person gatherings unmanned.

Virtual meetings through Zoom and YouTube were held instead, by those in charge and persons who led.

As though members were present in person and greetings, at each one at these meetings.

Happy October Birthday Wishes To:

We miss each other, the fun, fellowship of being at the Hall.
Lunches, special events, friendships, now using our phones to call.
The Woman's Club Board has done a great job of going on
with those planned events of keeping us informed through the phone.

A weekly check-in through the computer, keeps us in touch,
appreciated by me very much.
Somewhere in the future we will soon meet,
entering the Hall through the door and greet,
each other, be able to be seated there,
And enjoy our time that we share.
Woman's Club gets my applause
Supporting philanthropy cause.

Keep up the good work and be part of our lives,
Making sure it survives.
A big thank you to all of you
For the work behind the scenes you do.

Auxiliary Events

Auxiliary Chairmen Gina Aparicio and Mary Jean Ferranti-Chuck have set up our first virtual Auxiliary Event on Thursday, October 15th with Donna Georgino as instructor! Space is limited, so make sure to RSVP early! The cost for the crafts is \$10.00.

As we continue to adjust to our "new normal" if you have any ideas for virtual get togethers or activities that follow Distancing guidelines, please let Gina or Mary Jean know.

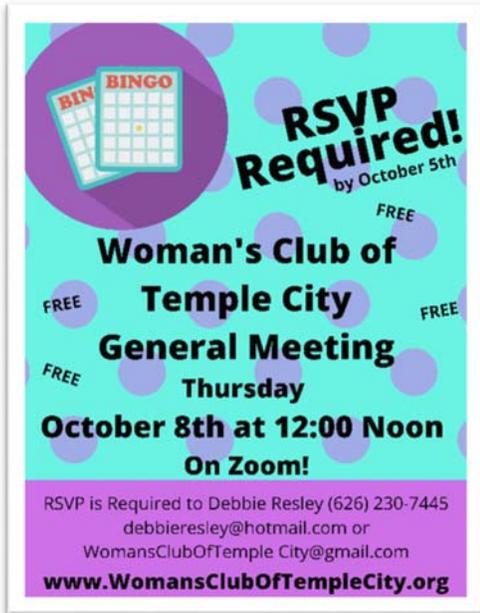

Zoom Meetings & Events

We would like to encourage all of our members to join us on Zoom. While having access to the internet through your cell phone, tablet, or computer is ideal, this does not work for everyone. However, you do not need to have a computer to join us. You can join us on your home phone! For each meeting, a unique phone number and access code is generated. You call the phone number, enter the meeting number, and then the password – and presto, you can hear what is going on! We know this can be challenging. Please reach out to Dawn at (626) 688-8009 or email her at dawntarin@hotmail.com directly if you have any questions.
