## PRESIDENT'S MESSAGE

Dear Woman's Club Members,

As summer draws to a close, our schools are looking forward to a return to in person learning. While there are still over 500 students remaining in distance learning in the new Virtual Academy, our Temple City schools will once more ring with the sound of students greeting friends on our playgrounds and our classrooms will echo with the voices of our teachers and students.

How does this reflect our Woman's Club? While our September meetings will still be held in restaurants (there is more information included in this Forecaster), we also look forward to returning to our own "in person" meetings hopefully this fall. At this point, our moving forward depends on how Covid numbers improve and the newest directions from LA County. Stay tuned! We'll share information with you as soon as we can as it becomes available.

# PRESIDENT'S MESSAGE (CONTINUED)

Thank you to our members who picked up their 2021-2022 Yearbooks at the Concerts in the Park, and to those who picked them up for friends. I truly appreciate our "Delivery Team" of Dawn Tarin, Virginia Burton, Debbie Resley, Debi Mistretta, Noel Palmieri, and Kathy Mushinskie for home delivering the remainder of the yearbooks. You should be receiving it soon if you haven't already. Thank you again to Dawn Tarin for all her efforts to bring our Yearbook to reality.

As we continue into our new Woman's Club year, I hope we have many opportunities to celebrate the diversity of our membership. We are a unique group of outstanding, powerful women who reflect the faces of Temple City. I am so very proud to serve you as President for this year.

Sincerely,  
Mary Sneed

# VINTAGE PHOTOS

On August 3rd Woman's Club Member Jerry Jambazian announced on Facebook that he was visited by fellow Member, Nan Fish, where she presented him with a box of several hundred vintage photo prints. The box was in the possession of her neighbor and about to be deposited into the new Athens trash cart. Wisely, Nan intercepted the box and brought it to Jerry. He has been in Temple City since 1955 and remembered Temple City Times publisher Helen Schrader and photographer Louie Nunez very well. Almost all the photos have a date, but the people are not identified. The photos go back to the 60's and include school and city events. Jerry has posted photos daily to his Temple City Photos Facebook page and appreciated information about the photos. Here are a few samples you may enjoy.
